"The Expendables" is a 2010 hard-hitting action/thriller movie about a group of mercenaries hired to infiltrate a South American country and overthrow its ruthless dictator. Once the mission begins, the men realize things aren't quite as they appear, finding themselves caught in a dangerous web of deceit and betrayal. With their mission thwarted and an innocent life in danger, the men struggle with an even tougher challenge one that threatens to destroy this band of brothers.

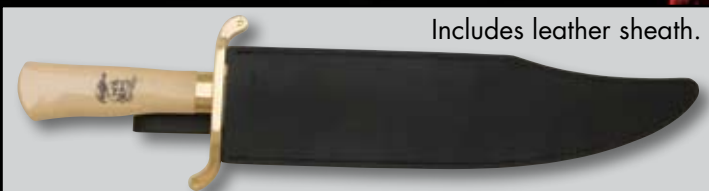

Master knife maker Gil Hibben designed this bowie for 2010 Expendables movie. This cutlery masterpiece offers a stabilized synthetic ivory handle accented by the gold-plated blade catcher and guard which are reminiscent of the styling of original bowies. Expendables artwork is featured on the handle and the gold-plated guard offers cast star designs on both ends. The classic 14" blade is constructed from polished stainless steel and honed to a razor's edge.
